Fleet Advantage Supports ARC Broward Playground

Thanks to a most generous donation from Fleet Advantage, *ARC Broward* has an additional \$10,000 towards building a therapeutic preschool playground. This gift will be applied to a challenge grant made from a local foundation which matches every dollar contributed for the project up to \$25,000.

Critical to the care and rehabilitation for our children is *ARC Broward's* preschool playground, which will be especially designed with equipment to foster learning through play, therapy supports, and physical rehabilitation. "With nearly 20 years of wear and tear, including the damage sustained by a tornado in 1997, the playground that is one of the central landmarks at the *ARC Broward* campus is one step closer to vital repair thanks to Fleet Advantage" said *ARC Broward* President & CEO Dennis Haas.

The children who will benefit from this support have autism or some intellectual disability. Recent studies have linked autism with certain environmental factors. Fleet Advantage and its Clean Air Partners are leaders in reducing the environmental impact of the transportation sector. They have made consistent progress in improving tractor fleet efficiencies and reducing emissions harmful to human health and climate change.

Fleet Advantage
DATA DRIVEN SOLUTIONS

Headquartered in Fort Lauderdale, Fleet Advantage brings more than 75 years experience in servicing the leasing needs of Fortune 500-level companies and private truck fleets in North America, with a unique next generation, IT-based leasing product to deliver a continuous improvement model to guarantee increased productivity and lower overall costs.

Fleet Advantage is a proud member of the U.S. EPA's SmartWay Transport Partnership, Food Marketing Institute(FMI), National Private Truck Council (NPTC) and Equipment Leasing and Finance Association (ELFA). Fleet Advantage is an affiliate of Air, Land and Sea, LLC, which also includes affiliates, Jet Advantage and Yacht Advantage. Fleet Advantage is located at 401 East Las Olas Blvd. Suite 1720, Fort Lauderdale, FL 33301; 954-615-4400.
